

Bei Loon 8km Challenge Race

Saturday 29 February 2020

Expression of Interest

The popular Bei Loon 8km Challenge Race is held at Bayview at Sydney's Northern Beaches. The race is limited as to the total number of crews that can be accommodated in the 4 Race program.

Therefore, an early Expression of Interest will increase the chances of your formal Entry being successful. Entry acceptance priorities will be assigned as EOIs are received.

To avoid disappointment, and to assist us in our planning, please provide the following information at your earliest convenience should you wish to participate:

- Club Name:
- Likely number of Crews:
- Club contact details:
 - + Name:
 - + Email:
 - + Phone:

Submit these EOI details to: gwebster@hotmail.com

Regular communication will be maintained with all Clubs that have submitted an EOI, and that communication will continue until the formal Entry deadline of Monday 3 February 2020. Clubs will receive a final confirmation at this time, or shortly after.

All Regatta documents are available on our website www.beiloon.com.au

Should you have any queries, please contact the Bei Loon Race Director George Webster on (02) 9905 2919.
